CIRCULAR LETTER NO. 26
Series of 2017-2018

SUBJECT:

CLARIFYING SECTION 2 OF SUGAR ORDER NO. 10, SERIES OF 2017-2018 ON BOTTLERS' GRADE REFINED SUGAR AND STANDARD GRADE SUGAR FOR THE SUGAR IMPORT PROGRAM FOR CROP YEAR 2017-2018

1. Section 2 of Sugar Order No. 10, Series 2017-2018, dated 11 June 2018, provides:

"The volume covered by this Order shall not exceed 200,000 metric tons sugar, divided into the following specifications:

- (1) 100,000 metric tons are bottlers' grade refined sugar (35 ICUMSA),
- (2) 50,000 metric tons are standard grade refined sugar (100 ICUMSA),
- (3) 50,000 metric tons are raw sugar for domestic tolling/direct consumption."
- As used in the Sugar Order, bottlers' grade refined sugar (35 ICUMSA) shall refer to refined sugar with color less than or equal to 35 ICUMSA units and standard grade refined sugar (100 ICUMSA) with color greater than 35 ICUMSA units but less than or equal to 100 ICUMSA units.

This Circular shall take effect immediately.
