

## **SRA-GAD visits Philippine Commission on Women Headquarters**

On March 19, 2018, SRA GAD team visited the headquarters of the Philippine Commission on Women (PCW) as they sought to find ways to improve human well-being by examining the performance and impact of interventions on poverty alleviation, public health and nutrition, along with agricultural opportunities. SRA acknowledges that women are active agents of development and not just a passive recipient thereof. The GAD team was welcomed by Ms. Josephine Khaleen M. Sasuman of the PCW Planning Department.
