**SUPPLEMENTAL/BID BULLETIN NO. 1**  
**Supply and Delivery of Thirteen (13) units Pump and Engine**  
**with complete accessories**  
**Bid Reference No. 2024-SIDA-05**

With reference to the Bidding Documents for the Supply and Delivery of Thirteen (13) units Pump and Engine with complete accessories, posted at the PhilGEPS and SRA websites, this Supplemental/Bid Bulletin is being issued after having conferred with the Technical Working Group and the Provisional Member/End-user Representative, to clarify, amend, and modify some items in the provisions of the Bidding Documents, in response to the recommendations raised by prospective bidders, as follows:

Section III. Bid Data Sheet			
From		To	
ITB Clause 20.2	AMTEC Test – R.A. 10601 (Coupled or separate AMTEC test report is allowed)	ITB Clause 20.2	AMTEC Test - R.A. 10601 (Coupled and separate AMTEC test report is <b>required</b> )
ITB Clause 21.2		ITB Clause 21.2	<b>Dealership Certificate specific for the procurement issued by the manufacturer/distributor.</b>

Section VII. Technical Specifications			
From		To	
A.19	Other Requirements:	A.19	<b>Seated in a steel base frame with complete accessories</b>
A.20	AMTEC Test – R.A. 10601 (Coupled or separate AMTEC test report is allowed)	A.20	Other Requirements:
A.21	Permit to Operate (PTO) for MFADDIE or MFADDIE Registration – R.A. 10601	A.21	AMTEC Test - R.A. 10601 (Coupled and separate AMTEC test report is <b>required</b> )
A.22	Valid and current National Agricultural and Fisheries Machinery Assemblers, Manufacturers, Importers and Dealers Accreditation and Classification (NAMDAC) Certificate of Accreditation (per DA AO No. 11 series of 2020) as importer, distributor, reseller or manufacturer of the item being offered.	A.22	Permit to Operate (PTO) for MFADDIE or MFADDIE Registration – R.A. 10601
A.23	Certificate of Conformity from BAFE	A.23	Valid and current National Agricultural and Fisheries Machinery Assemblers, Manufacturers, Importers and Dealers Accreditation and Classification (NAMDAC) Certificate of Accreditation (per DA AO No. 11 series of 2020) as importer, distributor, reseller or manufacturer of the item being offered.
A.24	Pump and Engine should conform to Philippine Agricultural and Biosystems Engineering Standards (PABES)	A.24	Certificate of Conformity from BAFE
A.25	Valid and current Permit to Operate for Manufacturers, Fabricators, Assemblers, Distributors, Dealers, Importers, and Exporters issued by Bureau of Agricultural	A.25	Pump and Engine should conform to Philippine Agricultural and Biosystems Engineering Standards (PABES)

Management System

	and Fisheries Engineering per Department of Agriculture's Department Circular 4, Series of 2019		
<b>A.26</b>	Complete Technical Data Sheets/Brochures/Manuals must be signed with dry seal by a Registered Agricultural and Biosystems Engineer or Agricultural Engineer and tool kit	<b>A.26</b>	Valid and current Permit to Operate for Manufacturers, Fabricators, Assemblers, Distributors, Dealers, Importers, and Exporters issued by Bureau of Agricultural and Fisheries Engineering per Department of Agriculture's Department Circular 4, Series of 2019
<b>A.27</b>	Supplier must have an accredited service center for after sales services within Visayas, with at least 5 years of experience in servicing such brand being offered.  Such list of the service centers must be submitted together with the bid documents.	<b>A.27</b>	Complete Technical Data Sheets/Brochures/Manuals must be signed with dry seal by a Registered Agricultural and Biosystems Engineer or Agricultural Engineer and tool kit
<b>A.28</b>	The bidder must submit a statement from the manufacturer that the machinery is gender friendly for farm operations.	<b>A.28</b>	Supplier must have an accredited service center for after sales services within Visayas, with at least 5 years of experience in servicing such brand being offered.  Such list of the service centers must be submitted together with the bid documents.
<b>A.29</b>	Supplier must have a Service Center in Visayas with competent technicians	<b>A.29</b>	The bidder must submit a statement from the manufacturer that the machinery is gender friendly for farm operations.
<b>A.30</b>	The brand offered must be available and existing in the local market for the last 30 years	<b>A.30</b>	Supplier must have a Service Center in Visayas with competent technicians
<b>A.31</b>	Warranty Period/ Coverage of Warranty: Three (3) years on parts and services or warranty coverage applies only on pump and engine except consumable parts. Bidder shall include list of coverage of the warranty certificate to be submitted together with the bidding documents.	<b>A.31</b>	The brand offered must be available and existing in the local market for the last 30 years
<b>A.32</b>	Requirements during Post Qualification	<b>A.32</b>	Warranty Period/ Coverage of Warranty: Three (3) years on parts and services or warranty coverage applies only on pump and engine except consumable parts. Bidder shall include list of coverage of the warranty certificate to be submitted together with the bidding documents.
<b>A.33</b>	Visual inspection, functional testing and actual field testing of the unit shall be conducted during post-qualification.	<b>A.33</b>	Requirements during Post Qualification
<b>A.34</b>	Conduct of inspection and test runs upon delivery and installation.	<b>A.34</b>	Visual inspection, functional testing and actual field testing of the unit shall be conducted during post-qualification.
		<b>A.35</b>	Conduct of inspection and test runs upon delivery and installation.

		<b>B.4</b>	<b>Dealership Certificate specific for the procurement issued by the manufacturer/distributor.</b>
--	--	------------	--

**Responses to Prospective Bidder's Queries:**

<b>Bidder</b>	<b>Item</b>	<b>SRA Requirement/ Specification</b>	<b>Recommendations</b>	<b>Comments</b>
<b>AGRICOM VISAYAS, INC.</b>	Section III. Bid Data Sheet / Section VII. Technical Specifications	Item A.20 AMTEC Test – R.A. 10601 (Coupled or separate AMTEC test report is allowed)	<b>Item A.20</b> <b>AMTEC Test - R.A. 10601 (Coupled and separate AMTEC test report is required).</b> <i>The submission of coupled AMTEC Test Result ensures the procuring entity that the offered unit (pump and engine) has complied with the requirements. Moreover, submission of separate AMTEC test results for the pump and engine does not guarantee the same result for the pump (ex. total head, discharge rate). There are some cases that the different prime mover used to power the pump yield different, result which is a disadvantage to the agency. It would also be beneficial for the agency to require AMTEC Test report for the pump (to verify the pump efficiency) and engine (to verify power rating, and the requirement of 80% continuous power).</i>	<b>ACCEPTED.</b>
	Section III. Bid Data Sheet / Section VII. Technical Specifications	The brand offered must be available and existing in the local market for the last 30 years	<i>The requirement of 30 years market presence of the brand offered ensures the agency of its excellent machinery performance, durability and acceptability under Philippine conditions.</i>	<b>ACCEPTED.</b>
	Section III. Bid Data Sheet / Section VII. Technical Specifications		<b>To include: Dealership Certificate specific for the procurement issued by the manufacturer/distributor.</b> <i>This dealership certificate ensures the procuring entity</i>	<b>ACCEPTED.</b>

			<i>the support of the manufacturer/distributor to the dealer in terms of stock allocation, after-sales services, and warranty claims.</i>	
<b>AGRIMACH CG CORPORATION</b>	Section III. Bid Data Sheet / Section VII. Technical Specifications	The brand offered must be available and existing in the local market for the last 30 years	<b>Requesting to drop the requirement of the 30 years Philippine market presence of engine</b> to allow other engine to join as there is a Certificate of Conformity issued by BAFE. The issued Certificate of Conformity to engine guarantees already that the engine performance and specification pass the PAES Standard. This request removal of 30 years requirement is seen justified since the Agency also removed the 30 years market presence in the procurement of the tractor which was replaced with Certificate of Conformity by BAFE.	<b>DENIED.</b> This is the only way we can ensure the durability of the product since AMTEC has no test for durability and metallurgy.
<b>ALL CERTIFIED EQUIPMENT TRADING CORP.</b>	Section VII. Technical Specifications	Item A.7 Diesel Engine: Four-stroke, water-cooled, single horizontal cylinder (14hp) should have a continuous power at least 80% of its rated maximum power	<b>Item A.7 To consider to range of the prime mover from 12 - 14HP.</b> <i>Aside from 14HP, the 12 &amp; 13HP engine prime mover can also attain the required pump output.</i>	<b>DENIED.</b> The end user / beneficiaries preferred the 14Hp prime mover.
	Section III. Bid Data Sheet / Section VII. Technical Specifications	The brand offered must be available and existing in the local market for the last 30 years	<b>Requesting to omit the requirement for 30 years in the market.</b> Since the agency " <b>already omitted</b> " the required 30 years in the Philippine market for the brand of 90HP tractor, <b>we request that this will also be applied to this requirement.</b> <i>This will allow more suppliers to participate in this bidding as it will not limit to only 1 brand of engine and 1 single supplier. It is more likely that a particular distributor/importer of this engine already committed to a certain dealer and will not allow other dealers to carry their product. This will result in a tailored single bidder</i>	<b>DENIED.</b> This is the only way we can ensure the durability of the product since AMTEC has no test for durability and metallurgy.

			<i>which is disadvantageous to the government.</i>	
--	--	--	--	--

The Supplemental/Bid Bulletin No. 1 shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For the guidance and information of all concerned.

Issued this 6<sup>th</sup> day of June 2024.

~~ATTY. GUILLERMO G. TEJEDA III~~   
Chairperson, Regional Bids and Awards Committee
