Responses to Prospective Bidder's Queries:

Bidder	Inquiries	Comments
Donato C. Cruz Trading Corporation	Clarification on the delivery and hauling of fertilizers: To provide information on who will handle the discharging of fertilizers during the delivery.	The supplier/s will be the one in-charge in the delivery and discharging of fertilizers at different block farm sites
	To inquire about Urea if it is in Prilled or Granular form since the only written requirement is to have at least 44-46% analysis. Also, for the required sacks with the SRA Logo and "NOT FOR SALE" label, does it have to be printed on the sack or can it be a sticker or stamped?"	The end user preferred a granular form. Printed in the sack for the said logo and label is required.
	Is it acceptable to participate without a PhilGEPS Platinum membership?	DENIED. This is the PhilGEPS membership requirement for this bidding, therefore, suppliers joining the transaction must have this requirement.

The Supplemental/Bid Bulletin No. 1 shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For the guidance and information of all concerned.

Issued this 13th day of May 2024.
